

Hello, my name is *Coach* Chris Valverde . I would like to ask you for help! I am a head coach looking to help some athletes get some equipment etc. Due to COVID19 we were unable to hold any fundraising. We are working with Community Pay it Forward Fundraising to help our young athletes have a fun, safe, competitive season for your **NOCO Knights!** The process is very easy, and other than the shopping you do, it will cost no extra money. Simply go to www.CommunityPayitForward.us and on the home page you will see a list of companies called the Fundraising Partners. If you shop with anyone on this page and email your receipt to nocoknights@communitypayitforward.us, these companies will donate a portion of your purchase to help us accomplish our goals. If you have any questions, please feel free to call Community Pay it Forward at (970) 909-0751.

Community Pay it Forward Fundraising Program was created to help raise funds for families in emergency situations, children either sick or injured or raising money for school or church programs, Veterans or Veteran causes, local non profits or 501c3 programs, or private community improvement projects.

Community Dare to Care Outreach, & Events is here to assist people with clothing, furniture, housewares, school supplies, and other life critical needs with the assistance of caring individuals and their donations in the community. Community Cares also assists the community by offering a list of entertainment options to make their events or parties a hit.
